ANNIE TOTE

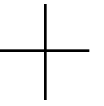

A chic version of the classic 'boater's tote' complete with pockets. For versatility, this tote is completely reversible and comes in two sizes, a purse-sized and a large tote. Pair the purse-sized version in satin taffeta with trousers and a classic trench coat for the office or the tote sized version with dark rinse jeans, ballerina flats and your favorite leather jacket for an about town bag that will hold your iPad and the usual kid stuff that mom always ends up holding. The Annie Tote in either size uses 2 yards of fabric, one for each side, and can be made from a single floor-length formal.
